LA AGUADA POLO CLINIC—

THE CLUB

Located only 50 minutes away Buenos Aires, easy accessed, La Aguada has 990 acres of farmland dedicated to breeding the best polo ponies and practicing high goal polo.

For generations, the Novillo Astrada family, have provided this sport with first level players and ponies and have always been renowned for their warm and careful assistance to their visitors.

This is the land of the highest handicap polo, where visitors can take part in the training and horse care, get started or improve the game abilities with the assistance of international polo players and polo managers team, take private lessons with the Novillo Astrada brothers or experience the backstage preparations for the Argentine Polo Open, the world's most important tournament.
